Free Range Ukulele Society of Oak Park Meetup

When the Great Chicago Fire burned the city to the ground in 1871, no one could have predicted that exactly one hundred and forty-two years later, to the day, the Free Range Ukulele Society of Oak Park (FRUSOP) Meetup would be created.

You are cordially invited to attend the exciting inaugural meeting of a new Meetup[†] group, the [Free Range Ukulele Society of Oak Park](#), created to bring together people who love to play—or want to learn to play—the ukulele, to sing, and to have fun.

When: October 10th, 2013, 7:00 p.m.

Location: Eastgate Cafe
102 Harrison Street
Oak Park, Illinois
EastgateCafe.net

What to Bring: Your ukulele and your voice

Cost: A small donation of \$5.00 is appreciated to offset the cost of organization overhead and copies. All of the organizers, song-leaders, and researchers are volunteering/donating their time and other resources. And because the Eastgate Cafe is generously providing the use of their dining room without charge, it would be an act of courtesy to order a little something at the meeting, or maybe even come early to have dinner—*their food is wonderful*.

A song-sheet packet(s) will be provided, which you may take home. The song-sheet packets are intended to be used multiple times, so if you take a packet home, please hang on to it to assist the Free Range Ukulele Society of Oak Park Meetup in keeping the cost of copying down, and, of course, to be green.

It would be helpful if you would become a member of the [Free Range Ukulele Society of Oak Park at Meetup.com](#). There are multiple benefits to you and the Free Range Ukulele Society of Oak Park Meetup for doing that, among them being that you can find out in the future what song-sheet packet(s) will be used, and the FRUSOP Meetup can anticipate how many song-sheet packets to make.

Feel free to forward this invitation to anyone you know who also plays the ukulele.
The more, the merrier.

Yours in peace, love, and ukulele,

The Organizers of the Free Range Ukulele Society of Oak Park Meetup
