Good Evening All,

I wanted to send each one of you a sincere thank you for participating in the Santa Trolley Event! Your music added such a jovial, positive, happy and energetic vibe to the experience; people couldn't help but leave the mansion grinning ear to ear! I have been part of this event for the past four years and I would have to say that this year was by far the most successful – thanks to you all!

BJ meet with Jessica to plan, organized the time slots for players, and got creative with costumes – **a special warm thank you to her!!** I wish everyone a safe and happy holiday . . . thank you again!

Respectfully,
